

hydraulic cylinder

Article no.: 449

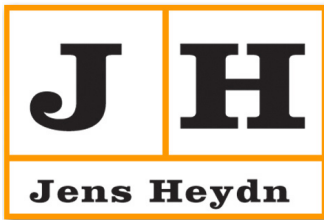

Machine no.:

Type: ATLAS 115 / 60 / 750

Year of construction:

Price: €330.00

Description: stroke of plunger rod 750 mm
performance at 240 bar - approx. 25 to
diameter of plunger rod 60 mm
lead-through of oil through plunger rod with load holding valve
diameter of piston 115 mm
diameter of cylinder eyes (pin diameter) 45 mm
total length middle of the pin retracted - 1,070 mm
extended - 1,820 mm
- new -
