

track trolley - beam section chassis YALE

Article no.: 2588

Machine no.:

Type: HTP 2000- A

Year of construction: 2012

Price: €140.00

Description: maximum capacity load 2,000 kg
flange width 66 to 220 mm
flange thickness 25 mm maximum
smallest curve radius 1.15 m
manual force at nominal load 7 kg
weight approx. 16 kg
16 units on stock - price per unit
