

pipe milling and cutting machine FEIN - RDG - 18 - 2b

Article no.: 3019
Machine no.: 540897
Type: RDG - 18 - 2b
Year of construction: 1997
Price: request
Description: pipe diameter max. 1,500 mm
 tool diameter max. 200 mm
 feed rate 40 mm / min
 sawing of pipes in steel and greycast iron with wall thickness of up to 22 mm
 milling of pipes in steel and grey cast iron with wall thickness of up to 15 mm
 cutting speed 35 m / min
 compressed air requirement 6 bar - 2m³ / min
 weight approx. 90 kg
